ABOUT US

Bhushan Chakote architect & interior designer firm was established in 2008 with the sole intention of providing professional and creative services in the field of design ,founded by Ar. Bhushan Chakote, an alumni of priyadarshani college of engineering & architecture, Nagpur. Before starting the firm took work experience with renowned architectural firm for 5-6 years. Today offers specialized services on many fronts.

Today after almost a decades portfolio the firm works on two verticals vise: design consultancy and turnkey solutions. Till date the firm has successfully completed a number of projects in architecture & interiors for residential, commercial, retail, banking, and hospitality sectors.

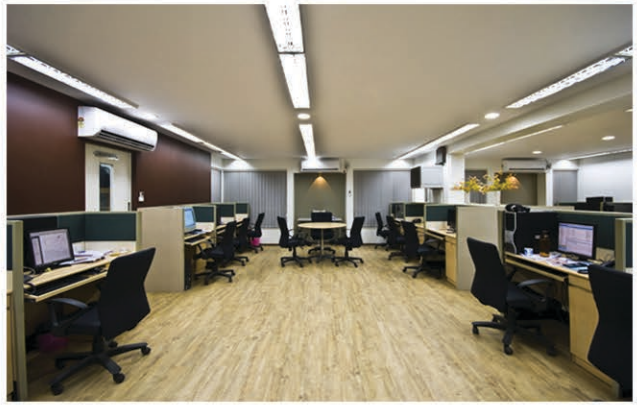

The enthusiastic team is well equipped to manage and execute various scale projects offering end to end solutions. The team comprises of experienced consultants, skilled contractors, and trained supervisors.

In the past years, Ar. bhushan chakote has won many awards for design and the works of the firm has been published in a number of books & magazines too.

1.Software Company Project – Office space extension and interior work for Applied Thermal technologies at Shivaji Nagar , Pune.

Area: @4000 sq.ft
